Dear Ms. Bilbrey:

I am pleased to be able to forward to you the enclosed document, Environmental Restoration Fifth Five-Year Review, addressing BPA's Ross Complex, Vancouver, Washington.

This document shows that the remedial actions previously undertaken at the Ross Complex remain protective of human health and the environment.

In accordance with the provisions of the Explanation of Significant Differences document, we continue to provide for the long-term administration of institutional controls at the Ross Complex.

We appreciate the assistance of your staff in this matter. If you have any questions regarding this Fifth Five-Year Review, please contact Mr. Andy Chang, Environmental Coordinator for the Ross Complex, at (360) 418-2443.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott G. Armentrout", is written over a horizontal line.
